

WORK HEALS

A Guide to the Workers' Compensation Claim Process

Evaluate and treat patient. Guidelines to assist care can be found at <http://www.mtguidelines.com/>

If available, review the patient's written job description provided by the employer via a Grab N Go kit*

Complete the Medical Status Form and provide a copy to patient for:

- Initial visit
- Follow up visits
- Note MMI & Impairment rating on Medical Status Form and in the medical notes

Submit Medical Status Form, medical notes, bills, and the Clean Claim for Payment to Montana State Fund after each appointment.
Visit <http://safemt.com/clean-claim-defined-2/> for Clean Claim information.

*Grab N Go kits are designed to help employers communicate their return to work program with injured employees, medical providers and Montana State Fund claims examiners.
